

New York, June 23^d 1840.

My Dear Sir,

I think an appropriation of \$50. for Mr. Childs would be well bestowed. He will be able just to meet his expenses here, at the close of the term, without having any thing left to defray his expenses during the vacation; and I understand his mother is so situated, (I believe at board) that he could not conveniently reside with her. He will return to Philadelphia on Saturday next, the day after the commencement of the Seminary; and will probably send you this letter.

We needed here very rarely, on the day I left Philadelphia, and my time has been since constantly occupied in attendance on the Board of Missions, the examination of students, and the meetings of the Trustees. We hope to leave on Friday afternoon for Boston. My family are quite well, with the exception of Willie, who has taken a severe cold, and tonight has considerable fever, but I trust it will not prove any thing very serious.

It will give me pleasure to hear from you,
occasionally, while I remain in Boston.

Mrs. Dorr unites with me in kindest regards
to yourself and Mrs. Kempton, and remembrance
es to all our friends.

Very truly & affectionately yours,

B. Dorr.
